POSITIONING

Where we operate

Business Building Global SARL (BBG) is headquartered in Kolwezi, Lualaba Province — the operational centre of the Democratic Republic of Congo's copper and cobalt industry. From this position, BBG connects international suppliers of critical inputs with the demands of African mining and industry.

The company's mandate is expressed in its slogan: *Connecting Global Suppliers to African Mining*. BBG serves mining operators, industrial clients, commodity traders and international suppliers seeking a dependable, documented and locally established counterparty in the region.

BUSINESS ACTIVITIES

Ten disciplines, one standard

BBG operates across ten complementary business activities:

- Mining Subcontracting
- Industrial Supply
- Commodity Trading
- Import & Export
- Business Facilitation
- Cross-border Logistics
- Vehicle Trading
- Furniture Supply
- Fuel Supply
- Industrial Chemicals

CORE PRODUCTS

Critical inputs for mineral processing

BBG supplies the reagents and energy on which hydrometallurgical operations depend. Every consignment is accompanied by certificates of analysis and safety data sheets.

— Sulphuric Acid 98%

— Fuel

— Sulphur

— Industrial Chemicals

ENGAGEMENT

Working with BBG
